RE: Health Coverage Tax Credit Qualified Health Plan

Dear Insurer:

The purpose of this letter is a follow up on the Department's letter of December 1, 2003 regarding the Health Coverage Tax Credit (HCTC).

The December 1, 2003, Department letter to your company concerning the federal HCTC indicated the Department would like to discuss the possibility of your company offering an HCTC qualified health plan through group insurance. To that end, a meeting has been scheduled for December 18, 2003, in the Department of Insurance Hearing Room at 215 West Main Street, Frankfort. On that date, from 10:30 a.m. to approximately 12:30 p.m., representatives of the U.S. Department of Health and Human Services and Internal Revenue Service will present an overview of the tax credit and respond to any questions you may have relating to qualified health plans, including group qualified health plans.

If your company expressed an interest in offering a qualified health plan, we hope to see you on December 18th. If your company failed to respond to the letter, we would still welcome your participation or that of your staff in this meeting with the federal agencies. Please contact me at (502) 564-6026, no later than COB December 15, 2003, if you or your staff plan to attend the meeting.

Sincerely,

Glenn Jennings
Acting Commissioner
